

stores, the 7-11 convenient food mart, the news distributing industry, things of that nature. In addition, the beer industry does wish to be in the bill and the Pepsi Cola and Coca Cola and things of that also do. As was mentioned, this is the second amendment to the bill that was agreed upon by those both that supported the bill and opposed it. With the adoption of this amendment, the bill can move on its way. There is no opposition from either side to it and I would move for the adoption of the amendment.

SPEAKER LUEDTKE: All right. Any discussion on the next Simon amendment to LB 202? If not, all those in favor of the Simon amendment vote aye, opposed nay. Have you all voted? Record the vote.

CLERK: 25 ayes, 0 nays on the adoption of Senator Simon's amendment, Mr. President.

SPEAKER LUEDTKE: The motion carries. The Simon amendment is adopted. Any further amendments?

CLERK: I have nothing further on the bill.

SPEAKER LUEDTKE: Senator Simon.

SENATOR SIMON: I move for advancement of LB 202 as amended to E & R engrossing.

SPEAKER LUEDTKE: Any further discussion? Motion then is the advancement of LB 202 to E & R for engrossment. All those in favor signify by saying aye, opposed nay. LB 202 is advanced to E & R for engrossment. Next we have LB 624.

CLERK: Yes, sir, Mr. President, LB 624, there are no E & R amendments. I have first of all an amendment offered by Senator Keyes. Mr. President, Senator Keyes' amendment may be found on page 833 of the Legislative Journal.

SPEAKER LUEDTKE: The Chair recognizes Senator Keyes.

SENATOR KEYES: Is Senator Reutzel here? Is Barry around? I don't want to amend Senator Barry Reutzel's bill unless he is here to defend it and I understand that he is going to oppose...there he comes in. This amendment that I have just simply says that the officers shall be paid by the state, the salary of the other employees of the separate juvenile court shall be fixed by the presiding judge. All this says that in a county which has the juvenile court system, that the probation officers, which we on the state level have mandated, shall be paid by the state. We have demanded and mandated that counties have probation officers and we have left the counties to pay them, and in my county, it is quite a bit and we are at the top of the mill levy and I feel this way that if we are going to mandate that we have probation officers and probation judges, certainly we should pay for them out of the state level. So that is the amendment. I think Senator Barry Reutzel has what it is going to transfer from the county to the state, the amount of dollars. Senator, do you want to comment on that?

SPEAKER LUEDTKE: Senator Reutzel, do you want to respond
